Preparing For an Ultrasound

While many ultrasound procedures require no preparation for our patients, some do. You should wear comfortable, loose-fitting clothing for your ultrasound exam. You will need to remove all clothing and jewelry in the area to be examined.

If you are having an ultrasound of any of the following:

- **GALLBLADER / ABDOMEN / AORTA / LIVER / PANCREAS / SPLEEN / RENAL,**

Please do not eat or drink 8 hours prior to exam.

- If you are having ultrasounds of the PELVIS or a PREGNANCY ultrasound, please drink 32 ounces of water, 1 hour before exam.
YOUR BLADDER MUST BE FULL FOR EXAMPlease drink water only - no carbonated beverages. If you are more than 20 weeks pregnant, there is no prep for your ultrasound.
- If you are having an ultrasound of any Extremity, Thyroid, Breast, Musculoskeletal, Testicles, or Carotid there is NO PREP.
- Bring insurance card and your order if you were given one by your doctor.
- The procedure will take approximately 30-60 minutes per exam.
- Have you had any prior images taken on the area of interest? If so, please let a staff member know so we can obtain the images and reports for comparison.
- Your arrival time will be 15 minutes before your appointment time so you can be registered before your exam.
